Dear Supervisors:

**ORDINANCE AMENDING LOCAL SMALL BUSINESS
ENTERPRISE PREFERENCE PROGRAM
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Approve an Ordinance amending Title 2, Chapter 2.204 of the Los Angeles County Code, Local Small Business Enterprise Preference Program.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve an Ordinance amending Title 2, Chapter 2.204 of the Los Angeles County Code, Local Business Enterprise Preference Program, increasing the Local Small Business Enterprise (LSBE) preference from five percent to eight percent, with the preference percentage increase in countywide solicitations to become effective on November 1, 2011; and to
2. Clarify the administration of the LSBE preference program.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On July 19, 2011, your Board directed the Internal Services Department (ISD) and its Office of Small Business to work with County Counsel to: (1) update and amend the applicable provisions of the Los Angeles County Code, Section 2.2004, Local Small Business Preference Program, to increase the LSBE preference from five percent to eight percent, (2) update this information on its website and

other materials, and (3) work with other departments to ensure that this change is communicated to all existing and potential small business vendors.

The County's Local Small Business Enterprise (SBE) Preference Program is designed to enhance purchasing and contracting opportunities for local small businesses within the County. The program's priorities were developed to promote and foster inclusiveness and economic development as well as ongoing evaluation to assure all businesses including local small businesses, are provided equal opportunities in the County's purchasing and contracting activities (County Code Section 2.204.020).

The Local SBE Preference Program defines a local small business enterprise as a business having its principal office in the County for at least one year and as being certified as a small business by the State of California (County Code Section 2.204.030). It requires that the County provide a price or scoring preference to bids and proposals from qualified Local SBE's (County Code Section 2.204.060).

The proposed ordinance amendment provides for increase in price or scoring preference to bids and proposals from certified LSBE's from five percent to eight percent, and also clarifies the administration of LSBE preference program by replacing references to the Office of Affirmative Action Compliance with ISD, as the responsible department.

If approved by your Board, the proposed amendment to increase the LSBE preference from five percent to eight percent will be implemented in countywide solicitations effective November 1, 2011. This will provide ISD sufficient time to update the website and departmental instructions and training materials, and to coordinate the implementation of the process change among all County departments, and communicate the change to all existing and potential small business vendors.

Implementation of Strategic Plan Goals

Approval of the amended Ordinance will further the County's Strategic Plan Goal of Organizational Effectiveness by ensuring that service delivery systems are efficient, effective and goal-oriented.

FISCAL IMPACT/FINANCING

For Fiscal Year 2010-11, the cost of the existing 5% LSBE bid preference program was approximately \$40,000 countywide on purchases of over \$4 billion of goods and services. The additional cost results from selecting an LSBE bid over a lower bid from another business. No cost is incurred when an LSBE is the low bidder.

ISD believes that increasing the LSBE preference to 8% will generate additional small business participation, and the higher (8%) preference amount will increase awards to LSBEs. Assuming these factors, ISD estimates the overall countywide costs under an 8% LSBE bid preference to increase marginally. The impact on net County cost would be variable based on actual bid experience.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This Ordinance amendment has been approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The Ordinance amendment will enhance existing contracting and purchasing policies and procedures while providing the appropriate guidance and direction necessary to reach decisions that are consistent with your Board's direction.
